

WELCOME MESSAGE

The International Workshop on “Chemoprevention and Translational Research” will be organised by COSTAM/SFRR (ASIA/MALAYSIA) from 9-12 July 2009 in Meritus Pelangi Beach Resort & Spa, Langkawi, MALAYSIA. This is the 7th in a series of such workshops held since 1991 and every workshop has been published in a comprehensive proceeding. It has become an established event in the calendar of the global fraternity of researchers in the field of free radicals and health. This activity has spawned many interest groups on free radical research especially in the Asia-Pacific region.

On behalf of the Organising Committee, we would like to welcome each and every one of you to an interesting programme.

GENERAL INFORMATION CONFERENCE VENUE

The conference will be held in Langkawi at the Meritus Pelangi Beach Resort & Spa. The Meritus Pelangi Beach Resort & Spa is designed in the style of a traditional Malaysian village, the ethnic charm of the East meets the comfort of the West. Set on 30 acres of award-winning landscaped gardens and spread alongside the palm-fringed beachfront, this is an ideal five-star resort for a corporate retreat or a scientific research workshop. It is located at the most popular beach in Langkawi; Cenang Beach on 30 acres or 12 ha of beautifully landscaped beachfront. It is a 10 minute drive from Langkawi International Airport and 45 minutes via ferry from Kuala Perlis jetty; 105 minutes from Kuala Kedah jetty and 120 minutes from Penang Island. It takes 60 and 20 minutes by air from Kuala Lumpur and Penang respectively.

SCIENTIFIC PROGRAMME

The conference will be dedicated to detailed discussions on the current status and future perspectives of Free Radicals in the context of micronutrients and health.
